4	streamlining - too many repeat announcements	Jun 20, 2011 6:17 PM
5	printed summaries of current Board action available on Sunday morning. Printed copies of important announcements of church activities and areas of interest.	Jun 19, 2011 8:50 PM
6	The weekly email needs to be streamlined. There are too many announcements and are not organized in any noticeable way (e.g. by date of event). Some events are promoted every week when they shouldn't, or are publicized much too far in advance. It takes awhile to sort through the old stuff and get to the new announcements.	Jun 18, 2011 12:28 PM
7	reduce the amount of information by taking old information off after some exposure	Jun 15, 2011 7:48 PM
8	Combine weekly news with "this Sunday". Only send out one church-wide email a week.	Jun 15, 2011 6:01 PM
9	It is fine how it is, you can't please everyone but thank you for trying.	Jun 7, 2011 10:47 AM
10	Less text; more succinctly written announcements. Keep announcements timely-delete those that are obsolete. Provide more oversight from Communications Committee to help with this.	Jun 5, 2011 1:43 PM
11	Maybe more concise and using color/different font to emphasize.	Jun 4, 2011 9:48 AM
12	Streamline the text; omit colored fonts; format so you don't have to keep scrolling down the page; consolidate attachments into one PDF file for easier download & less paper to print out; state whether the same info will be available at Cong. Mtgs in hard copy.	Jun 1, 2011 9:36 AM
